Please provide two examples of your advocacy to protect and promote civil rights and civil liberties in Maryland. **1. I have sponsored Equal Pay legislation for three consecutive years. 2. I was a sponsor of the bill to ban conversion therapy and I spoke out against this harmful practice in subcommittee, committee, and on the House floor.** Please provide two examples of what you will do if elected to protect and promote civil rights and civil liberties in Maryland. **I intend to bring back my bill that prohibits requiring past salary history as a condition of employment. This practice disproportionately discriminates against women and minorities because it perpetuates past discrimination. It has passed in the House but not the Senate. I believe that 2019 will be the year. I will also be a strong supporter and co-sponsor of legislation to stop price gouging on the part of pharma. High drug prices hurt the poor and the elderly who frequently can not afford their prescriptions.**
