Please provide two examples of your advocacy to protect and promote civil rights and civil liberties in Maryland. I am an ACLU Know Your Rights Trainer. I have volunteered on multiple occasions to teach various groups of individuals how to safely assert their rights when interacting with police. I have traveled to Annapolis to lobby my personal State Senator on several laws- one which would remove the Governor from the Parole process.

Please provide two examples of what you will do if elected to protect and promote civil rights and civil liberties in Maryland. Education is a civil right, yet we are failing to provide so many students the world class education they deserve. I will support and help to implement the recommendations of the Kirwin Commission. I also believe that healthcare is a human right and should be made accessible to everyone, regardless of employment status. Finally, I believe we need to open our primaries and restore voting rights to those who have lost them.
