Please provide two examples of your advocacy to protect and promote civil rights and civil liberties in Maryland. I sponsored HB838 in 2015, and the complimentary HB11 in 2016, creating parity in coverage of in-vitro fertilization between Maryland same-sex and opposite-sex couples and supported legislation returning voting rights to former felons.

Please provide two examples of what you will do if elected to protect and promote civil rights and civil liberties in Maryland. I will continue to press for closure of the achievement and opportunity gaps through expansion of community schools, identification of need and provision of behavioral health and wrap-around supports year-round for students from the earliest grade levels, and implementation of the Kirwin Commission recommendations. I'll continue to press for establishment and implementation of training, protocols and standards in policing that are constitutionally sound and equitable.

Please provide two examples of what you will do if elected to protect and promote civil rights and civil liberties in Maryland. **If elected I will be a voice for the LGBT community where republicans have tend to fail or drop the ball. All people are created equal plain and simple. no matter who that person is, whom that person loves, what gender that person is or what color of skin that person happens to have. under the law all people are judged and treated equally and have equal rights and those rights should be protected and fought for at all costs**
