Please provide two examples of your advocacy to protect and promote civil rights and civil liberties in Maryland. **Since childhood, I grew up believing that the fight for civil rights and civil liberties is fundamental to our democracy. I marched for civil rights on numerous occasions, interned at the ACLU of Maryland my senior year in HS, and more recently as an elected official, I have put forth legislation to protect civil rights. Just two examples of this are co-sponsoring legislation to prohibit discrimination based on gender identity and co-sponsoring county legislation that was our local version of the "Trust Act".**

Please provide two examples of what you will do if elected to protect and promote civil rights and civil liberties in Maryland. **Many of the items listed earlier in this survey are among my top priorities. Two things I am especially looking forward to working on are (1) Limiting state and local law enforcement's collaboration with federal immigration enforcement efforts; and (2) Legalizing the adult recreational consumption of marijuana and using resulting tax revenues to help communities of color, which have been most harmed by marijuana criminal laws.**
