Please provide two examples of your advocacy to protect and promote civil rights and civil liberties in Maryland. **As a recently retired Veteran not previously politically engaged, I point indirectly to a 27-year career of service to our Nation in which the promotion and protection of our civil rights is inseparable from supporting and defending the Constitution. And while our military has historically been exclusionary with respect to some civil liberties, each time society has driven changes to our rules, we Servicemembers have stepped up to lead the way.**

Please provide two examples of what you will do if elected to protect and promote civil rights and civil liberties in Maryland. **I firmly believe the surest way to protect and promote civil rights and liberties is by ensuring equality under the law.
