Please provide two examples of your advocacy to protect and promote civil rights and civil liberties in Maryland. **In 2017, I advocated with citizen lobbyist groups at the Maryland state capital to pass a bill that would provide custody protections for rape victims. In 2018, I went to the Annapolis once more with the Montgomery County Education Association to promote increased rights and protections in the public education system, which included an education lockbox, equity funding, and securing the right to organize for community college staff.**

Please provide two examples of what you will do if elected to protect and promote civil rights and civil liberties in Maryland. **To make the ease of promoting civil liberties easier, I will fight to amend the state constitution to include the ballot initiative as a Maryland voter's right, enabling more direct democracy options and increasing voter participation. To enable equity as well as equality in the workplace, I will advocate for a state scheduling program similar to the Schedule A hiring done by the federal government that will incentivize adding women, minorities, and LGBTQ communities to a company's workforce.**
