Please provide two examples of your advocacy to protect and promote civil rights and civil liberties in Maryland. **Our campaign condemned acts of racism that have occurred within District 31B where I am running for State Delegate. Senseless acts such as those that took place have no place in our society. Also, our campaign is on the side of fighting for equality across all social areas to include race, religion/non-religion, socio-economic status, sexuality, ethnicity, gender, and others.**

Please provide two examples of what you will do if elected to protect and promote civil rights and civil liberties in Maryland. **I am committed to personally educating and being part of a team of educators to erase the inequities that divide our community. Regardless of who we are, where we're from, whom we love, and what we look like Maryland must be a safe and pleasant environment we can all call home. I will also stand up and fight for the disenfranchised who are in and out of the Maryland Corrections system. Criminal justice is an area of imbalance where the freedoms of minorities are taken away and rarely given back.**

Please provide two examples of your advocacy to protect and promote civil rights and civil liberties in Maryland. I advocated for police reform during the Freddie Gray protests in Baltimore. I marched in the Women's March in 2017 and 2018. I marched for affordable healthcare with Our Lives on the Line. I marched to Fix the Fund. I stood with Dreamers to keep DACA. I stood with refugees and immigrants at BWI. I marched many times to end racial inequality. I have been an advocate for a living wage and for women and children.

Please provide two examples of what you will do if elected to protect and promote civil rights and civil liberties in Maryland. I understand the importance of ensuring that women are treated equally in the work force. I would support and sponsor legislation to set requirements for equal pay. I would support implementing a \$15 minimum wage. Income inequality solutions must also address access to clean water, healthy food and quality education.
