Please provide two examples of your advocacy to protect and promote civil rights and civil liberties in Maryland. **1) I will be advocating for our 2nd Amendment. The 2nd Amendment is clear calling for a "well-regulated militia" and protects the people's right to keep and bear arms. This has become a subject hotly debated and I believe it has been trampled on. 2) Our 4th Amendment has been violated with the new "Red Flag" law in which law enforcement can enter the home after a sworn affidavit is completed. I support the need for a search warrant in any case to enter a home and seize property. This does not preclude law enforcement intervening and detaining an individual while a search warrant is issued.**

Please provide two examples of what you will do if elected to protect and promote civil rights and civil liberties in Maryland. **I will constantly work to make sure there is an advancement of equality for all people regardless of race, sex, age, disability, national origin, religion, or certain other characteristics. I will address income inequality by fueling dynamic private sector growth and creating opportunity to work. Making sure that men and women in the same workplace be given equal pay for equal work and paid equally in the work place. To make sure there is a clear and comprehensive mandate for the elimination of discrimination against individuals with disabilities.**
