Please provide two examples of your advocacy to protect and promote civil rights and civil liberties in Maryland. **As an attorney who handles criminal defense matters, I am always advocating for my clients' constitutional rights and civil liberties. Additionally, in an effort to give back to the community, myself and my office have coordinated a number of pro bono expungement clinics both here in Cecil County as well as in Baltimore City. In 2018 alone we have provided free legal services for over 1,000 expungement petitions for citizens in either homeless, low income, or drug rehab facilities.**

Please provide two examples of what you will do if elected to protect and promote civil rights and civil liberties in Maryland. **I will continue to be a defender of the 4th, 5, and 6th amendments and their applicable Maryland counterparts. I will also work to expand access to and eligibility for expungements in criminal records as appropriate legislation exists.**
