Please provide two examples of your advocacy to protect and promote civil rights and civil liberties in Maryland. **I have testified in the House and Senate on Police Accountability based on a case that occurred in Somerset County. A Maryland State Trooper called the home of an African American women, she was not a home so he left a name and when he thought he hung up the phone he left a defamatory word on her voice mail as it relates to people of color. I testified in the State House to request the state to allow incarceration persons to maintain their home address while serving their sentence. "Population without Representation"**

Please provide two examples of what you will do if elected to protect and promote civil rights and civil liberties in Maryland. **I would advocate for the legislature to design and pass a Police Accountability Act to allow the citizens of the State to be informed of the penalties invoked on Police officers who violate the duties of their responsibilities. I would continue to advocate that all citizens of the State of Maryland be assured of their constitutional rights to cast a vote at all elections which includes former incarcerated persons without undue duress from election boards and workers.**
