Please provide two examples of your advocacy to protect and promote civil rights and civil liberties in Maryland. **I have been a fierce advocate of civil rights and liberties during my time in the legislature. I have strongly support the right to vote for all including those formally incarcerated, co-sponsored efforts to legalize marijuana use, voted against mandatory minimum sentences, and was the lead sponsor of State-level net neutrality legislation. I also strongly support a woman's right to choice, equal pay laws, and numerous other civil right and liberties efforts too numerous to list here.**

Please provide two examples of what you will do if elected to protect and promote civil rights and civil liberties in Maryland. **I will continue my advocacy for all of the issues listed in Question #18 along with expanding health care access through single payer, expand access to clean energy, and work to promote debt free higher education.**
