Please provide two examples of your advocacy to protect and promote civil rights and civil liberties in Maryland. **My recent legislation addresses racial and ethnic disparities which impact our communities. SB 350 Reconciliation and Equity a Conversation on Race addresses social injustices, racism, and other inequities. Also, SB 943 Maryland Medical Assistance Program and Health Insurance Coverage - Hepatitis C Drugs sought to eliminate the unfair and indefensible use of a low fibrosis score and allow treatment before the liver is affected. This legislation would have allowed Medicaid to provide coverage to all no matter the level of disease.**

Please provide two examples of what you will do if elected to protect and promote civil rights and civil liberties in Maryland. **If elected I will continue to support the ACLU and its activities as I have done in the past. I will propose and support legislation that promotes freedom of speech, equal voting rights and as an immigrant myself I will continue to support legislation and issues that advocate for immigrants' rights. Additionally, I will continue to work for the incarcerated population and work towards compassionate release for the sick and elderly that are incarcerated.**
